Update EU17UC'06

Registered teams

So far we have received the following team registrations:

	U17 open	U17 girls	Jr open (U20)	Jr women (U20)
UK				
Sweden				
Russia				
Finland				
Latvia				

There are some teams that still need some more time to know if they can make definite registration, but the tournament budget doesn't depend on their participation and we can wait some more weeks for them to work things out:

Latvia U17 girls
Germany U17 open
Sweden Jr women

Finally there could be a couple of more teams but who will be asked to pay just a minimum fee per player; it's the only way they can afford participation (they were totally depending on sponsorship, which there was too little time to work out). These countries/teams are:

Combination team Russia/Estonia/Lithuania U17 girls/Jr women
Lithuania U17 open
Estonia U17 open

We realize the U17 girls/Jr womens division seems rather small, but we hope to get a definite reply from the three possible additional teams soon and will send out info as soon as any of their participation is confirmed.

Dates

Tournament dates: Wednesday July 26 – Saturday July 29.

We decided to go for the 4 day format, since this works for both scenarios (either the six open and two womens/girls teams we have so far, or if most teams sign up that are still working on their participation).

Fees

We have changed the fees slightly since we have taken out tournament discs, players bags and cut down on tournament advertising etc.

Team fee – 400 EUR

Player's fee - 106 EUR (59 EUR for Eastern European countries)

Coach/Leader/Guest fee – 53 EUR

The player's fee includes:

- 2 meals – breakfast and dinner (4 tournament days)
- 1 social event
- Lodging (school floor). If anyone would like to book hostel or hotel, they may reduce the fee by 10 EUR and add the alternative lodging cost. The lodging is available from Tuesday evening until Sunday morning.

Deadlines

July 1 – Deposit = the team fee and 50 % of the player fees.

The remainder of player fees can be paid either on site or on beforehand by bank transfer.
